Distribution of Minutes:

CIO Trustees, User group representatives, Volunteers, Parish Council Clerk, TCC website, James Blackford and Nick Oates

Just 2 Agenda items – Open Day and Hiring Charges

Open Day:

AL proposed that Committee delay the Open Day until next year as there will be a busy run-up to Christmas with the vaccination clinics starting in two weeks' time to the end of the year along with everything else. All agreed.

Agreed to put a volunteer board up at the country markets. User groups have been asked to send photos i.e. from bell ringers' quiz, TADS play in November and film night, plus short videos to put on Facebook. Take and use video clips off Facebook of Scottish dance. Agreed to organise a presentation which could be repeated at a later date. Dates put forward for open day are February 11th, 18th, and 25th. Half-term 18th February thought to be a suitable date starting 11am–1pm. TY will talk to Steve Davies about taking photos and an aerial photo could be put on Facebook. Agreed the best way to reach out to people would be on Facebook. Also an advert. in Tarporley Talk was agreed at a cost of £100 for a full page. Agreed to put a leaflet together to hand out at the Rotary film night then a leaflet drop in January. Estate Agents to be asked to hand leaflets out to new people coming to live in the area. MG agreed to be the volunteer co-ordinator.

Room Hiring Charges:

TY warned that our fixed price gas and electricity contracts will end on 31 Aug 24, and energy costs will then rise substantially. To allow for

bookings lead times it will be necessary to apply increased hiring charges to all bookings made after 1 Nov 23. It is hoped that room hiring charges can, in general, remain unchanged until then.

Date of Next Meeting:

The next meeting will be held on **Monday, 26th September, 2022, at 7pm on Zoom.**
